

Statement of Originality of Final Project

I, the undersigned below, hereby declare that the content of my Final Project entitled: "[**Improvement Yield Production to Increase Productivity for Model Light-2**]" is my own work, completed without the use of any unauthorized materials, and is not the work of others which I claim as my own. All references cited or referred to have been properly acknowledged in the bibliography. If it turns out that my statement is untrue, I am willing to accept the sanctions in accordance with the applicable regulations.

Batam, 14 June 2024

Angga Hermin Iswanto
NIM: 322211011

Approval

The final project is prepared to fulfill one of the requirements for obtaining a degree in Applied Engineering Bachelor of Associate Engineer (AMd.T).
